

# CARNIVAL

See a world class collection on flower. It's a real flower carnival, and almost too much fun to play. You will be flocking to the new 15-reel, 9-line The Carnival Video Slots experience.

Bee Fever Feature triggered by a winning combination of over 3 Bee symbols on any 5 active reels. Nine holes in the garden and crop specific flower. Pick one and credits awarded for specific flower symbol. Again until Bee symbol is collected.

Four Corners of 15 reels have same Orchid symbols for the bonus and hold automatically to play free 4 times. The Ant symbols should be kept to match regular award.

With a fun new combination of flower scene, Carnival game marches to the drum beat of slot excitement.
