

Flush Poker

This new Poker game brings a new dimension of fun to your gaming floor!

The new exciting game features for enhanced player interaction.

This exciting game pays on all traditional five-card draw poker hands, with Flush Fever acting as Flip cards.

When Flush wins, the fever begins. Three of Flip Cards are flipping for 4 suits of card and a Joker only. You could gain the biggest score, 50 times of bet value, when 3 Flip Cards meet 3 JOKER.
