

# CRAZY SOCCER

Check out adoring sport Star while he does a little soccer warm-up. Though the juggling was cool and clean, it is when he begins to power the ball at the upper bar of the goal. He hits the reward every time; with the soccer ball coming straight back to you.

When one or more Spin symbols scattered on any position, it's time for serious free-spin fun. Each free spin uses the same number of lines - and bet per line - as the initiating game.

A winning combination of 3, 4 or 5 "Soccer" symbols on any 5 active reels for the bonus. Find 9 squares in second screen and shoot the ball to goal and show the reward.
