

TRIPLE LUCK DELUXE

Standard single-hand play will never be the same as you gain Luck Cards-to-riches playing your favorite draw poker game the Triple-Luck Deluxe way.

It is played with a 57-card deck consisting of a standard 52-card deck with 2 wild cards and 3 Luck cards.

Deal five cards. If Luck Card (福-Good Fortune Card, 祿-Prosperity Card, 壽-Longevity Card) find on the hand, move it to relative site of Top 3 ones and deal new cards to redeem on original site of it.

Hold (or discard) the cards and get a second deal, and flip Luck Card for winning combination of all of open cards.

With the Triple Luck Poker game, more Luck CARDS mean more fun.
